Laura's Thoughts

Happy Fall! I am so glad it's finally here! I have already had my first Pumpkin Latte from Starbuck's for the season, so now bring on the cooler weather, light sweaters, and falling leaves. Speaking of Fall, I was so happy to see so many of our members at the Area 3 Fall Workshop. It was the first Fall Workshop for Melodneice Burt, Searrah Madi, and Gladys Trevino. Melodneice even won a prize, a beautiful plant, so hooray for her! I hope those of you who attended learned something new and will be willing to share with our chapter at the October meeting. A big thanks goes out to all the organizers of the workshop, and especially, Barbara Coon, our Area 3 Coordinator, for such a wonderful day.

At our October meeting, we will be taking some time to get familiar with our Epsilon Rho website, our Google Drive, and the DKG state and international websites. Please bring your technology (laptop, tablet, or cell phone) so you can follow along and participate in our Digital Scavenger Hunt. It will be a lot of fun, and there will be prizes! This is a great learning opportunity for you to get to know our organization better, and perhaps, how you can become more involved. Looking forward to another great meeting!

Area 3 Workshop

We had 9 of our members attend the Area 3 Workshop on Saturday, September 17.

Members participated in the different workshops and connected with other members of DKG. It was a great learning opportunity all around.

Newer members and first-time attendees were called forward to be recognized and welcomed.
