Luann's Thoughts

We are winding down our 2018 - 2019 year of meetings. As I look back over the months, I am reminded that we have accomplished so much and shared some great evenings together. Our service projects consisted of collecting school supplies for the Area 3 Workshop, making a monetary donation to No Kid Hungry, making a monetary donation to the Garfield Elementary Angel Tree, making a monetary donation to The Rose, making a monetary donation to the Heifer Project and collecting new or gently used books to be donated to Pasadena Little Libraries. Hats off to you ladies for some wonderful service projects!

Not only did we help others, but we also learned a few things from our programs these past several months. We started off with a wonderful program on Jennifer's trip to Israel. It was such a moving presentation. Then some of us attended the Area 3 Workshop. It was a rainy day, but we learned a lot! Next we enjoyed a cooking demonstration by our very own Mary Frances. Yummy just about sums that meeting up! In November we listened to a presentation by Phillip Murad about the Dave Ramsey Financial Program.

Such great advice! Our Christmas party included some amazing food and a great make and take craft. March brought us the book study of the ***Psychology of the Mindset***. It was well worth reading. This month we will celebrate our chapter's 60th birthday! And last but not least, in May we have our Founders Day Luncheon. We will be celebrating 90 years of Delta Kappa Gamma!

I hope that you have enjoyed this year as much as I have!
