"Leading women educators impacting education worldwide."

Mission Statement: Delta Kappa Gamma Society International promotes professional and personal growth of women educators and excellence in education.

Luann's Thoughts

This school year has gotten off to a very busy start for several of our members. Their days have been busy with not only teaching, but meetings and trainings as well. There are some aspects of teaching that I miss since I have retired, and then there are others that I don't miss at all! I received so much joy and pleasure from being able to help deliver benches and books to ten schools in the Pasadena School District this past August. I hope that the students receive as much pleasure from reading those books.

This month we have the opportunity to make a monetary donation to **No Child Hungry**. We all know how important it is for our students to have healthy meals to nourish their bodies and minds. Our program this month will be a cooking demonstration done by Mary Frances. I look forward to seeing what she will prepare this time! We will be meeting at my home this month. I look forward to seeing you all there.

No Kid Hungry Fund

October Service Project

Don't forget to bring your **No Kid Hungry** jars to our next meeting. Hopefully, you have had an opportunity to collect some money since last March. Every little bit helps! In fact, according to the **No Kid Hungry** organization, \$10.00 can help provide 100 meals for kids and help combat hunger and poverty in the United States. *For more information:*
