Luann's Thoughts

I hope that those of you that are still teaching have had a smooth beginning of the school year. The beginning is always so busy, yet so very exciting. Four of our members were able to deliver the ten benches to be used as Little Libraries and the starter sets of books to the schools. It was fun getting to see the reaction of the receiving schools and to have our picture made at each school by the district photographer. I want to thank Laura for all the hard work that she put into writing the grant proposal and my husband for helping to assemble and deliver the benches! My thanks also to Barbara Norris, Pat Jaime and Laura Rahman for helping to get everything delivered.

This month we have two meetings. We are going to meet on September 10 at 5:00 pm at Southmore Intermediate for committee meetings. If you are not assigned to a committee already, come and join one of your choosing! September 29 is the Fall Workshop. Be sure to sign up for the workshop if you have not done so already. We are collecting school supplies to be donated to the Montessori school where the workshop is being held.

We have so many great things happening this year and I look forward to seeing you all on the 10th!

BOOK STUDY

At our planning meeting this summer, the Executive Committee discussed having a Book Study as our March program. This means that we will need to choose a book that we would all like to read beginning in October and ending in March. If you have any ideas for a good read, please bring your suggestions to our meeting next week.

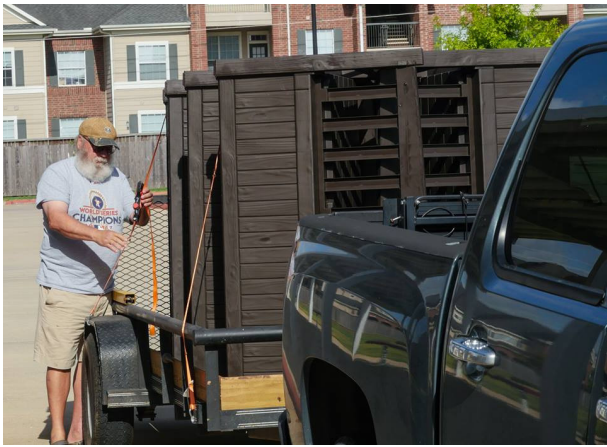

Barbara Norris has already had several ideas for a great book study. She has suggested the possibility of using *The Growth Mindset Coach*. Read more about it here:
