LuAnn's Thoughts

Celebrations are such a wonderful part of life.

It is so much fun to celebrate birthdays, holidays, graduations, the last treatment for an injury or an illness, or a wedding. Life is full of things to celebrate. At our April meeting we will get to celebrate our new officers for 2018 - 2020 as well as the birthday of our chapter. Epsilon Rho has been around for many years. We have realized over the past few years how important this organization is to us and we have worked hard to build on that and to serve our community in a variety of ways. I look forward to having our Area III Coordinator, Denise Charleston, at our meeting and being a part of our celebration.

Our service project for this month is the collection of children's books. These will be donated to the Pasadena Little Libraries.

We will be meeting at 5:00 on April 2 at the Neighborhood Center on Fairmont.

I look forward to seeing you all there.
