LuAnn's Thoughts

Summer is quickly winding down and teachers are busy getting ready for their next group of students. I hope that you had time to rest and relax as well as get some traveling in this summer.

The officers of Epsilon Rho have been busy at work planning an exciting year for all of us to enjoy. We learned so much at the conference this summer and we are ready to put our new knowledge to work!

Our first meeting will be August 19 at 10:00 AM. This meeting will be a pot luck brunch and we will meet at my house. Come prepared to talk about your summer fun! We will be looking at new programs, accessing the state and national websites, and taking our first peek our new chapter website! If you have a laptop or some other device that you would like to bring, please do so. This way you will be able to practice navigating some of these sites.

I look forward to seeing everyone again and getting caught up on what has been happening with you all.
