Laura's Thoughts

Hooray for March! I am excited because it means we are closer to the end of the school year, and we get a much-needed break. On my agenda for Spring Break is some good old-fashioned rest and relaxation. I have other plans too, like a few house projects and a quick trip to San Antonio, but I also want to make sure I take the time for some self-care. I think we all work so hard during the school year trying to prepare our students for success that we tend to forget about ourselves and our own well-being. It is my hope for all of you to have a restful break and for you to take some time to do something special for you!

March also means it is time to elect a new group of officers for the 2022-2024 Biennium. I am ecstatic about the new slate of officers being presented by the Nominating Committee. We have a super group of talented women that will represent us in the coming years. I can't wait to see how each one will contribute and help our chapter continue to grow. Thanks to these ladies for accepting the position and committing the time to be an important part of Epsilon Rho!

Do you know what else is exciting about March? This is usually the month when Mary Jaime does her cooking demo program, which she has agreed to do again. I always enjoy seeing what new recipes and cooking ideas she will share with us. Plus, this means that we will be meeting face to face. It will be nice to see everyone again in person. Looking forward to great a meeting!
