LuAnn's Thoughts

This is the time of the year when people tend to think more about all of the things they are thankful for in their lives. I have to say that I am truly thankful for all of you in Epsilon Rho. I am thankful for the way that we have bonded together to rebuild our chapter. I am thankful for the many things that I have learned about the society along the way. I am thankful for the friendships that have developed along the way and all of the different ways we have reached out to help someone else through our projects. That is just a few of the things that I am thankful for in my life. As I think about it I find that my list is endless. It goes from being thankful for the tiniest of things to the grandest of things. *What are you thankful for?*

Our November project is the assembly of the no sew blankets. Check out Pinterest or YouTube if you need instructions for cutting the corners and the strips. Jennifer and I will supply you with refreshments and words of inspiration. It should be a great evening together.

I look forward to seeing you at our next meeting on November 6, at 5:00, at the **Cleveland-Ripley Neighborhood Center, 720 Fairmont Pkwy. Pasadena, TX. 77505.**
