

EPSILON RHO REVIEW

The Delta Kappa Gamma Society International
Epsilon Rho Chapter - Texas State Organization
Area III, Chapter 137 - Pasadena, Texas

"Leading women educators impacting education worldwide."

Mission Statement: Delta Kappa Gamma Society International promotes professional and personal growth of women educators and excellence in education.

Laura's Thoughts

Fall has arrived, and I LOVE THE FALL! It is my favorite season! When I think of Fall, I think of leaves changing and falling off the trees. I think of cooler weather. Well, maybe not so much in Houston, but at least, I can wish for cooler weather. I also think of all the things pumpkin-pumpkin pie, pumpkin spice latte, pumpkin scented candles, etc. This time of year always puts me in a good mood, and I get a renewed sense of purpose. All those projects I had been wanting to do, such as cleaning out closets and painting my daughters' bedrooms, are now on my to do list and getting done. Fall gives me that much needed burst of energy and is a great distraction for all that is going on in the world. Hopefully with this new season, you are also feeling energized and ready to tackle your To Do list. I also pray that you have settled into a routine at school. I am sure by now you have figured out how to best meet the needs of both your face-to-face students and your virtual students. I know it's not easy, but we are teachers and we learn to adapt quickly. Also, remember that you have your fellow teachers that you can lean on for support, and I am sure they are willing to help and most importantly, listen to your concerns.

The smiley face was first created by graphic artist Harvey Ball in 1963. These little yellow faces are more than just a symbol, they're a statement about the power of smiling.

Clip Art from Canva.com

October 2nd is World Smile Day! Don't forget to smile :)
